

Sub : Quote for Insurance for SAARC Tele-Medicine Network Project

Telecommunications Consultants India Ltd. is a Public Sector Enterprises executing turnkey projects in Telecom, IT Sector and Civil both in India and Abroad. TCIL has signed an agreement with Ministry of External Affairs (MEA) for implementation of Tele-Medicine Network Project for providing Tele-Medicine services to SAARC member states i.e Afghanistan, Bangladesh, Bhutan, Maldives, Nepal, Pakistan & Sri Lanka. The work in the first instance has been awarded for Bhutan.

Installation work shall be done at 2 super specialty hospitals and one Hub station in India and 1 Patient End Terminal in Bhutan. The contract value i.e. Rs 4,61,85,509 which including the cost of software for Tele- medicine. Software being licenses only no loss is envisaged and as such no insurance cover is required for software. Further the lease charges to be paid for Sattelite Space Segments and IPCL for internet usage are also excluded from insurance value. Hence insurance cover will be taken for value of materials excluding such software and installation , testing and commissioning work and warranty. TCIL is looking for quote for insurance premium for "EAR cum marine insurance policy" of Rs 1,76,40,484.50 covering marine risk for materials to be purchased on CIF/C&F basis and 6 months implementation period as per details given in Annexure-I. However in case implementation period is extended beyond 6 months insurance cover will get extended up to further 6 months without any extra premium. The policy will also cover one year warranty and O&M support after commissioning.

Bids through Broker are not acceptable.
