(Selection of Vendor for Kuwait IT Project)

TCIL Ref No. TCIL/13/802/11/2012/S&TC/PAI-Kuwait

TCIL intends to participate in an IT tender in Kuwait. TCIL is looking for a vendor who is ready to provide solution and services as per the given technical specifications on a back-to-back in Kuwait. The interested parties should have prior experience in the following areas:

- i. Deployment of Enterprise Storage System
- ii. Supply, installation and commissioning of CCTV Storage System and SAN Fabric

The interested parties, which meet the following criteria, may submit their tender to TCIL:

- i. The party shall be an ISO 9001:2008 and ISO 27001:2005 certified Information Technology & Communication Company.
- ii. The party shall have positive net worth.
- iii. The party shall have valid company registration certificate, registration under Labour Laws Contract Labour (Regulation & Abolition Act) Act, valid sales tax registration certificate and valid service tax registration certificate etc.
- iv. The party must have successfully executed at least one similar project overseas especially in the middle-east

To verify the above credentials, the relevant supporting documents are to be furnished by the interested party.

All terms & conditions will be on back to back basis.

The detailed techno-commercial proposal complying to the attached technical specifications and Pricing format should reach TCIL **latest by 31/01/2012 (1:00 P.M.)**.
